Prof. K.N. Satyanarayana discussed the impact of the IIC activity initiatives with the student representatives and pre-incubation team members. The student council members & pre-incubation team members were briefed about the benefits and support provided by the Centre for Sponsored Research and Consultancy (CSRC) team to the president and the council members. He also suggested students involve the IIC activities and try to drive the activities to the next level.

Prof. K.N. Satyanarayana requested external experts to share their feedback and observations to take up the activities to the next level.

Mr. Suresh Raju agreed to extend his support for guiding pre-incubation teams to guide through his techno-commercial network in order to take their ideas to next level. He also agreed to support for creating connections with Venture capitalists, idea pitching and networking, etc.

Dr. Surya Kumar appreciated the IIT Tirupati especially Dr. K. Thirupathi and his CSRC team for bringing IIC activities to a commendable stage. He agreed to extend his support for enabling the Innovation ecosystem with IIT Tirupati from SPMVV. He also suggested Innovation Ambassadors do activities for the benefit of the students/faculty members and institute ranking (ARIIA) etc.

Mr. Hemanth Satyanarayana suggested conducting innovation events to enable nearby institutions also get connected to take this initiative impactful for the benefit of the student community.

Mr. Rajendra Mootha appreciated the CSRC team and suggested working closely with the IIT Madras research park team to take this activity to the next level.

Dr. K. Thirupathi also briefed about the Incubation & Innovation relevant activities, the Innovation Ambassador training program status, and YUTI National Innovation Repository(NIR) status to the council members. He thanked president for his support, encouragement and guidance to drive the activities in impactful way.

Prof. K.N. Satyanarayana suggested making pre-incubation selected teams to present their progress in the next IIC meeting to get proper directions and guidance from the IIC external experts.

Dr. K. Thirupathi also shared about the M/s Kyndryl (Industry partner) team partnership activities and regular interaction with CSRC IIT Tirupati (every 15 days). M/s Kyndryl team also shared research problem statements which will be floated in the next pre-incubation call to promote Innovation among the student community.

President also permitted to include interested students in the council to drive the activities in a beneficial way.

The President appreciated the CSRC team's efforts in initiating and enabling the innovation ecosystem related activities for the benefit of the students/faculty members and he encouraged them to continue the same.

The meeting ended with thanks.
