

# Indian Institute of Technology Tirupati

## Department of Physics

Cordially invites you to the E- Inaugural function of  
**2-year M. Sc. Physics program**

31<sup>st</sup> August 2020 (Monday)

Chief Guest

**Padma Shri Professor T. V. Ramakrishnan, Emeritus Professor of Physics, BHU**

### About us

The Department of Physics is one among the first few departments started along with the foundation of IIT Tirupati in 2015. It has a good blend of young and senior faculty members who work in two key areas Atomic, Molecular, & Optical Physics (AMOP) and Condensed Matter Physics (CMP). The Department has a strong vision on carrying the cutting-edge and frontier research and utilize it for the benefit of nation. It also has a good number of bright PhD students. In this academic year, Department has initiated a new 2-year M. Sc. Physics program to continue its journey of excellence.

### PROGRAMME OVERVIEW

Time (IST)	Duration	Event
4.15–4.22 PM	7 min	Welcome & Introduction to Department of Physics by Head
