

No: Advt./ IITT/CSRC/2324/13

Date:06-11-2023.

Applications are invited from eligible Indian nationals for the Junior Research Fellow post in a time-bound sponsored project undertaken in the Department of Mechanical Engineering.

Temporary Position	<u>Junior Research Fellow</u>
Essential Qualification	CGPA equivalent to first class in B.E Mechanical Engineering with knowledge of heat transfer or Porous Medium combustion. GATE/NET/GPAT score is must.
Project Title	Design, Development, Testing and Automation of LPG, PNG and CNG Operated Refractory Burners for Cooking and Industrial Applications.
Sponsoring Agency	SERB, DST
Consolidated monthly Salary	Rs. 37,000 + HRA as applicable
Principal Investigator	Prof. P. Muthukumar
Department/Centre	Mechanical Engineering
Tenure of Assignment	Initially one year and may be extended for one more year based on the performance.
Desired Experience	<ul style="list-style-type: none"> ● Adequate knowledge in heat transfer and thermal modeling ● Must have adequate knowledge in ceramic and their thermophysical properties ● Willing to travel and work with industrial partner at Coimbatore, Tamil Nadu and Morbi, Gujarat. ● Willing to work efficiently in a team environment, self-motivated, and work under a variety of challenging research conditions ● Must have good oral and written communication skills ● Must demonstrate the highest work ethics. ● Should submit Conduct certificate or NOC
Nature of the Work	This work focuses on the design, development and testing of Porous Radiant Burners for cooking and other industrial applications. Candidate is expected to work in close coordination with the industrial partners for the development of the burners. Field trials at various places in India need to be carried out at actual cooking environment. Candidate is also expected to conduct product demonstration workshops across India.
Age Limit	30 years or less as on 21 st Nov 2023
Last date application	21 st Nov 2023.

Eligible candidates must send a **detailed CV (maximum 2 pages)** specifying their qualifications and experience **and a brief statement of purpose** on or before **21th November 2023** to csrc_recruitment@iittp.ac.in and pmkumar@iittp.ac.in

The statement of purpose must include responses to the following questions:

1. Describe your research interests in the advertised area
2. Explain the tentative research plan briefly by using schematics, figures, flowcharts, and relevant references.

The shortlisted candidates will be informed by **Email only**. Selection will be based on the qualification, experience, and interview. **The interview and other logistics will be conducted via online only**. The
