

Indian Institute of Technology Tirupati
 Department of Civil and Environmental Engineering (CEE)
 B.Tech Curriculum (2023 batch onwards)

Semester 1		
Course Code	Course Number	L-T-P-C
PH104L/CY104L	Introduction to Classical Physics / Chemistry for Engineers	2-1-0-3
PH103P/CY103P	Physics Laboratory / Chemistry Laboratory	0-0-3-2
MA103L	Engineering Mathematics-I	3-1-0-4
ES104M	Computer Programming	2-0-3-4
ES105L	Foundations of Engineering Mechanics	2-1-0-3
ES106L	Introduction to Electrical Systems	2-0-0-2
ES101M	Concepts in Engineering and Design	1-0-2-2
HS10XN	Language Course (P/F)	2-0-0-2
	NSO/NSS#	
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
	Semester Credits (Cumulative Credits)	22 (22)

Semester 2		
Course Code	Course Number	L-T-P-C
CY104L /PH104L	Chemistry for Engineers /Introduction to Classical Physics	2-1-0-3
CY103P/ PH103P	Chemistry Laboratory / Physics Laboratory	0-0-3-2
MA104L	Engineering Mathematics-II	3-0-0-3
EA105M	Engineering Drawing	2-0-2-3
EA104P	Makers Laboratory	0-0-3-2
ES108L	Introduction to Electronic Systems	2-0-0-2
ES109L	Introduction to Data Science and Machine Learning	2-1-0-3
CE101L	Strength of Materials	2-1-0-3
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
	Semester Credits (Cumulative Credits)	21 (43)
Summer – Socially/locally relevant project through NSO/NSS#		

Semester 3		
Course Code	Course Number	L-T-P-C
CE208L	Structural Analysis	2-1-0-3
CE209M	Surveying	2-0-3-4
CE210M	Civil Engineering Materials	2-0-3-4
CE211L	Fluid Mechanics	2-0-0-2
CE212L	Engineering Geology	2-0-0-2
CE213P	Mechanics Laboratory	0-0-3-2
MAE	Mathematics Elective	3-0-0-3
PH105L	Introduction to Quantum Science and Technology	2-1-0-3
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
Semester Credits (Cumulative Credits)		23 (66)

Semester 4		
Course Code	Course Number	L-T-P-C
CE214M	Soil Mechanics	2-1-2-4
CE215L	Structural Steel Design	2-1-0-3
CE216L	Water and Wastewater Engineering	2-1-0-3
CE217L	Hydraulics	2-0-0-2
CE218M	Transportation Engineering	2-1-2-4
ES204L	Ecology, Environment and Sustainability	2-0-0-2
HSE-1	Humanities Elective 1	3-0-0-3
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
Semester Credits (Cumulative Credits)		21 (87)
Summer – Socially/locally relevant project through NCC/NSS [#]		

Semester 5		
Course Code	Course Number	L-T-P-C
CE3XXL	Reinforced Concrete Design	2-1-0-3
CE3XXL	Geotechnical Engineering	2-1-0-3
CE3XXL	Water Resources Engineering	3-0-0-3
CE3XXP	Environmental Engineering Laboratory	0-0-3-2
CE3XXL	Solid Waste Management	2-0-0-2
DPE-1	Department Elective 1	3-0-0-3
FRE-1	Free Elective 1	3-0-0-3
HSE-2	Humanities Elective 2	3-0-0-3
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
Semester Credits (Cumulative Credits)		22 (109)

Semester 6		
Course Code	Course Number	L-T-P-C
CE3XXL	Estimation and Construction Management	3-0-0-3
CE3XXM	Civil Engineering Design Studio	1-0-3-3
CE3XXM	Building Construction and Drawing	1-0-3-3
CE3XXL	Sustainability in Civil Engineering	2-0-0-2
DPE-2	Department Elective 2	3-0-0-3
FRE-2	Free Elective 2	3-0-0-3
FRE-3	Free Elective 3	3-0-0-3
Life Skills courses (Creative Arts / Physical Wellness / Lifestyle Management)		
Semester Credits (Cumulative Credits)		20 (129)
Summer – Industrial/Research Internship*		
* Internship is not mandatory. However, students going for a 2 month internship (industrial or research) have the option of earning 2 credits under free elective in Semester 7. Further, students going for a 6 month internship (industrial only) can earn 6 credits for Semester 7, and subsequently complete the pending credits during Semester 8 after returning from the internship (see the following Semesters' structure for details).		

Choice of Study Plans Available

All students must choose one of the five study plans given below.

	Summer Internship (Min. of 8 weeks)	Extended Internship (Min. of 24 weeks)	Project 2
Study Plan A	√	×	√*
Study Plan B	√	×	×
Study Plan C	×	√	×
Study Plan D	×	×	√*
Study Plan E	×	×	×

** For these study plans, as per the Senate resolution, it is necessary to obtain Grade B or better in Project 1 done during Semester 7.*

- For Study Plans A and B: Summer Internship must be done after completion of Semester 6 and before beginning of Semester 7 for a minimum of 8 weeks.
- For Study Plan C: Extended Internship must be done after completion of Semester 6 and before beginning of Semester 8 for a minimum of 24 weeks.
- For Study Plans D and E: No internship activity during summer after Semester 6 or in Semester 7.

Study Plan A (for B.Tech. programs)

Students must have grade B or better in Project 1 to choose this study plan

Course Code	Course	L-T-P-C
Semester 7		
CE491G	Project Phase - I	--- 3
DPE-3	Department Elective 3	3-0-0-3
DPE-4	Department Elective 4	3-0-0-3
CE391G	Industrial/Research Internship (Evaluation of internship done in the preceding summer, P/F course)	--- 2
	Semester Credits (Cumulative Credits)	11 (140)
Semester 8		
CE492G	Project Phase - II	--- 6
FRE-4	Free Elective 4	3-0-0-3
HS4XXL	Professional Ethics	1-0-0-1
	Semester Credits (Cumulative Credits)	10 (150)

Study Plan B (for B.Tech. programs)

Course Code	Course	L-T-P-C
Semester 7		
CE491G	Project Phase - I	--- 3
DPE-3	Department Elective 3	3-0-0-3
DPE-4	Department Elective 4	3-0-0-3
CE391G	Industrial/Research Internship (Evaluation of internship done in the preceding summer, P/F course)	--- 2
	Semester Credits (Cumulative Credits)	11 (140)
Semester 8		
DPE-5	Department Electives 5	3-0-0-3
DPE-6	Department Electives 6	3-0-0-3
FRE-4	Free Elective 4	3-0-0-3
HS4XXL	Professional Ethics	1-0-0-1
	Semester Credits (Cumulative Credits)	10 (150)

Study Plan C (for B.Tech. programs)

Course Code	Course	L-T-P-C
Semester 7		
CE392G	Industrial/Research Internship (Evaluation of internship to be done before beginning of Semester 8, P/F course)	- - - 6
	Semester Credits (Cumulative Credits)	6 (135)
Semester 8		
CE491G	Project Phase - I	- - - 3
DPE-3	Department Elective 3	3-0-0-3
DPE-4	Department Elective 4	3-0-0-3
FRE-4	Free Elective 4	2-0-0-2
FRE-5	Free Elective 5	3-0-0-3
HS4XXL	Professional Ethics	1-0-0-1
	Semester Credits (Cumulative Credits)	15 (150)

Study Plan D (for B.Tech. programs)

Students must have grade B or better in Project 1 to choose this study plan

Course Code	Course	L-T-P-C
Semester 7		
CE491G	Project Phase - I	- - - 3
DPE-3	Department Elective 3	3-0-0-3
DPE-4	Department Elective 4	3-0-0-3
FRE-4	Free Elective 4	2-0-0-2
	Semester Credits (Cumulative Credits)	11 (140)
Semester 8		
CE492G	Project Phase - II	- - - 6
FRE-5	Free Elective 5	3-0-0-3
HS406L	Professional Ethics	1-0-0-1
	Semester Credits (Cumulative Credits)	10 (150)

Study Plan E (for B.Tech. programs)

Course Code	Course	L-T-P-C
Semester 7		
CE491G	Project Phase - I	- - - 3
DPE-3	Department Elective 3	3-0-0-3
DPE-4	Department Elective 4	3-0-0-3
FRE-4	Free Elective 4	2-0-0-2
	Semester Credits (Cumulative Credits)	11 (140)
Semester 8		
DPE-5	Department Elective 5	3-0-0-3
DPE-6	Department Elective 6	3-0-0-3
FRE-5	Free Elective 5	3-0-0-3
HS4XXL	Professional Ethics	1-0-0-1
	Semester Credits (Cumulative Credits)	10 (150)

Details of NSS Activity and Socially/Locally Relevant Project

At present 80 hours of NSS work is mandatory requirement for UG degree. A student is allowed to earn these hours by participating in different activities organized by the NSS team.

In the proposed curriculum NSS activity will be divided into three segments for a total of 90 hours.

- (a) 30 hours of mandatory participation in activities organized by the NSS team as earlier.
- (b) 30 hours of mandatory project work in a socially/locally relevant project during the summer after Semester 2. The student will identify, formulate and propose a solution to socially/locally relevant issues. The students are encouraged to work in their local communities. NSS team will form detailed guidelines for the same.
- (c) The project work in point (b) will be evaluated by an appropriate committee formed by NSS.
- (d) If the project is recommended for the next phase, in the summer after Semester 4 the students can complete the same and submit a final report to earn 30 hours of work.
- (e) If the project is not recommended by the NSS committee, then the student must earn another 30 hours through regular NSS activity.

Few of the best projects, if any, will be recognized and recommended by the NSS committee to the Institute's Innovation Council for consideration of financial support.

Details of Life Skills courses

To complete this course requirement, a student must register in any of the Life Skills courses such as creative arts (music/dance/painting etc.), physical wellness (sports/yoga/martial arts etc.) and lifestyle management courses (organized by GCU/health center etc.) during course registration on ERP. These activities (of about 30 hours) must be completed by Semester 6 with a Pass Grade.
